Erratum

When the above article was first published online, it contained the following errors:

On p. 4, equation 1, the penultimate term in the equation was printed in italic instead of bold font.

On p. 6, the third and fourth entries in the first column of Table 1 were printed incorrectly as:

ln Patents (%), 2000
Number of colleges (%), 2000

They should be:

ln Patents (per capita), 2000–10
Number of colleges (per capita), 2000

These have now been corrected in both the print and online versions.
Taylor & Francis apologises for this error.
