Corrigendum

In the article “Learning Characteristics of the CERAD Word List in an Elderly VA Sample” by Scott N. Jones, Ashley J. Greer, and David E. Cox published in *Applied Neuropsychology*, 18(3): 157–163, a percentage number in Table 3, page 161, was incorrectly reported.

Instead of “6.70,” the SAVSCORE (%) for the Nondemented 66–75 year-old group should read “66.70.”
